Theme: To hope and act with creation

Entry Number 301
Celina
St Aloysius College

Entry Number 302 Eliza - St Mary's

Nurturing the Future

The photo captures a close-up of my hands, gently cradling a small seedling. The hands are slightly dirty with soil, highlighting a direct and tangible connection with the Earth. The seedling, with its delicate green leaves and a small root system still clinging to bits of soil, symbolizes new life, hope, and the promise of growth and renewal. This simple yet powerful image conveys the idea that nurturing the Earth starts with small, mindful actions.
